Sri Aurobindo : He finds the idea of transformation of nature in the Gita and also other things contained in The Life Divine. The following statements from Krishnananda a renowned Indian philosopher, capture the classical Indian understanding of death: . See then how wide is the difference between material civilization and divine.

Sri Aurobindo: The Para Prakriti there is used in general terms. Savitri is true. Although enlightened with Deliberations on The Life Divine to earlier centuries, the British of the mid to late 1800s were far from a secular society; in particular, the Church of England had a very considerable influence on all aspects of life—including politics and science. I think that generally and more and more as I grow older but not always, that an Agnostic would be the more correct description of my state of mind. There are specific regional traditions that represent the historical and philosophical worldview of parts of the country and over several periods of time.

I beg of Him to bestow upon thee a spiritual soul, and the life of the Kingdom, and whatever time highly skilled physicians shall have developed the healing of illnesses by means of foods, and shall make provision for simple foods, and shall prohibit humankind from living as slaves to their lustful appetites, it is certain that the incidence of chronic and diversified illnesses will abate, and the general health of all mankind will be much improved.
