If community music is being therapeutic ought it to enquire into the norms and customs of therapy? Leslie Bunt is one of the few British music therapists to have commented on the links between musical culture, social movements and Music Therapy. Request Username Can't sign in?

It is interesting that the editors have brought together a comprehensive review in Volume 26 Issue 4. Therapeutic Communities for the Treatment of Drug Users Edited by Barbara Rawlings and Rowdy Yates Written by academics and practitioners from around the world, this is a comprehensive overview of the development of therapeutic communities and their benefits for treating drug users. As research on psychotherapy has demonstrated, experienced, compassionate people always do good therapy, whichever model they espouse!

Figure 2 places Music Therapy and Community Music at two relatively fixed positions. do I go about achieving these aims? Can there be a range of sites and occasions for Music Therapy: from individual work, to groups, to communal performances?
