These were followed, in the first years of the s, by nionochronie canvases with slight, bulbous protuberances, organized in regular grid patterns and others with rhythmic undulations and pinches that remind one of furniture upholstery. As a loner in his or her research and writing, the historian can be very effective.

They are reconstructed—by laws, rules, and institutions. Il collante di queste molteplici storie sono i differenti piani temporali, ogni epoca si trascina il proprio personale bestiario di
