It's hard to tell whether the metaphysics is bona fide or purely metafictional. This is a conceptual translation in that an idea and a process produced a material text to be considered where before there was .

When used as a slang term, it's the Portuguese equivalent of 'dude', 'bro' or 'buddy'. But I like it as a total good confirmation. This is not an article for polite company. An expression with very variable meanings, but typically referring to struggling with something like finding a solution to a problem or to be desperate for something like needing a bathroom urgently. Away of greeting people, especially if they haven't met for sometime. I am made of it. And he did it.
