The jobs that have been disappearing, like machine operator, are predominantly those that men. For that is all women want - not power or control over men but just to be equals - is that really so unreasonable? But not all men are that way. Women don't start wars. The occupations that are growing, like health aide, employ mostly women. Other times she was cold and aloof, barely acknowledging that he was in the room. Newstome, as a woman. When they were dating, she batted her eyes, spoke softly, and always looked sexy.
