So go ahead and channel your inner Aaron Judge as you step in... Much can be learned simply by watching and listening to parent-child interactions during an office visit-cycles of exploration and return, reaching out, responsiveness, comforting behaviours around immunization-and by listening carefully to what a parent says about their children and family life [26] - [28] [37].

In studies on parenting styles researchers have found that authoritative parents are the most effective. Zach Long. Savour this experience before it inevitably vanishes. Types of Families.
