Isles Menorca. Due to the intensification of livestock practices and social changes occurred in the second half of the XX th century a social awareness about animal welfare appeared in the European countries, as well as in other parts of the Western civilization.

Itineraries are balanced and well designed. The perfect Spain for you if you love Madrid loves the nightlife This city is even livelier after dark, so check out some fun things to do outdoors on warm summer nights. Between and all transport operators were visited as many times as necessary in order to obtain a detailed description of their activity.
