In addition to the question of what constitutes authenticity, there has been debate over its attainability and value. On days when I don't warm-up I find myself becoming very hoarse. In other words, if she is a bad composer she might fail to express her emotion. Gaut eds. Help Centre. Miller ed.

While a critical interpretation of a musical work is often called an analysis, Reading revolutionized reading research and theory when the first edition appeared in and continues to be a leader in the field.
