Be the first to ask a question about The Hound of the Baskervilles. I was at Holmes's elbow, and I glanced for an instant at his face. Doyle transmogrified the legend: generations ago, a hound of hell tore out the throat of devilish Hugo Baskerville on the moonlit moor.

He is well known for his crime fiction, notably the stories of Sherlock Holmes. Holmes struck his hand passionately upon the rock in front of us, and stamped his feet in his impatience. For a wolf-dog called White Fang, every day is a fight for survival-- until he's taken in by a young American mining engineer.

He died in Timeless Shakespeare-designed for the struggling reader and adapted to retain the integrity of the original play. Yet Henry is afraid to return to his regiment.
