Apocalypse encounters the near-immortal human offshoot race known as Eternals primarily the members Ikaris and Sersi who refer to him as their "Ancient Nemesis". I was not compensated or influenced in any way in writing this review. I received a copy of this book in exchange for an honest review. The prototypes go missing after a military ambush. Identical Disaster. Although the character first appeared in he was retroactively said to have been present during previously published stories. The techno-organic virus, with which he long ago infected Cable, was revealed to be the means by which Apocalypse's spirit reconstituted . Apart from being the coolest cat on several continents, Agent Graves also serves : Red-and-blue costume usually daubed with webbing and large white eyepatches.
