In a just society that is also a rational society, unlawful harmful conduct is preferably prevented before the fact rather than punished after the fact. Lawmakers may vary the punishment within the same offense for different forms of the same drug.

This expression is internal, not external, to the practice of punishment. The
Whilst some entries may appear brief, the succinct nature of the format is lent value by the inclusion of key texts and sources. Volume 48 Issue 1. In assigning punishment for drug offenses, most laws differentiate between distribution and possession.

Just as there is no theoretical limit to the demands that can be made in the name
apart from the problems above, retributivists have yet to construct a nonarbitrary way of deciding what sentence the guilty offender deserves as punishment. Retributivists, ancient and modern, have always been lured by one or another form of lex talionis Davis despite objections dating from post-biblical times to the present Walker
