I have lots of ideas for non-Septimus books. The climate community and the environmental movement have taken charge of trying to save the planet but have convinced themselves that the planet will be saved simply by throwing up images of melting ice and polar bears and issuing increasingly alarming messages about the dangers of climate change. The end result was the same – as far as he could see. Andthankyou! Once, my brother and I, as young kids of 9 or 10, were returning home in East Africa, and suddenly in front of us was this unforgettable scene of a dying big fish in the sea. I suspect he wanted to be Chief Hermetic Scribe, really. Wolf nodded . Andsheissuccessfulatit-reallysuccessful.They .
