First, the Heavens declare future manifestations. The cells, while dormant, are like a flower yet in the bud. Varnish or paints are used to preserve or save wood or paper or cloth hence they become Saviors.

Our bodies are composed of amazingly complex organs like the eye, the kidney and the heart. This can only happen with an input of intelligence. The muscles are about in number; length of alimentary canal, 32 feet; amount of blood in average adult, 30 pounds, or one-fifth the weight of the body; the heart is six inches in length and four inches in diameter, and beats seventy times per minute, times per hour, per day, 36, per year. Let man stand upright and splendid, Let woman look up from the sod For the days of our bondage are ended, And we are at one with God. But this is not simple. Mind or mental cures, Christian or Divine science, suggestive therapeutics or magnetic healing, must all operate according to Divine law Life Chemistry or not at all. About George Washington Carey.
