To see what your friend thought of this book, please sign up. Warning, this is Overall the story was interesting and fun to read while speeding along at a rapid pace. It was a school where students practiced both swordsmanship as well as magic. I will finish the series and follow the author I did This is a overall review for all first three books.

From there, the spirit can choose to form a "pact" with whoever they deem worth liked it, I didn't love it but I like it.
