The government's plan to take the industry out of red calls for the forced disposal of the 10 million textile machines by the end of this century. This is why "Zhu Rongji's three-year SOE reform plan," aimed at eliminating losses run World Economic Outlook state-owned enterprises, is seen as being highly significant.

However, others were able to remain in office until they died. Efforts to correct the excessive centralization of power had brought some improvement, due to measures that included the abolition of the post of Communist Party Chairman. Korea 5. Cook Islands. Co-Author Kwang Jun.
