Walls, by Marcello Di Cintio | National Post

To wall is human and, if the story of the Garden of Eden is true, to exclude is divine. Since the beginning of civilisation, people have built walls.

Walls < Soft Skull Press

When Ronald Reagan exhorted Mikhail Gorbachev to tear down the Berlin Wall, it was not only a political act. As Marcello Di Cintio discovers, walls divide far.

Some walls define "us" from "them" with medieval clarity. And every wall inspires its own subversion, whether by the infiltrators who dare to go over, under or around them, or by the artists who transform. Di Cintio explores eight political hot spots – zones where walls split terrain, people and minds. VerificationEmailSent. Feb 18, Lina rated it liked it.
