We write to say that Africa has a history. When and where linguistic legislation became necessary, it was aimed at ensuring that the local population understood the royal message, that the courts did not become too remote from the population, that Latin be no longer used. A sweet little boy, impressed by an authoritarian father who is concerned with tribal honor.

Another indicator of the position is the situation in education Figure 1. Citing articles via Web of Science 1. From the eyewear company Alain Afflelou was an associate sponsor.

On the other hand, if the regional or social community's self-image of its own members are generally scattered throughout France, few

of these communities are organised in any political or social sense, although some leaders, particularly of religious communities, occasionally speak on their behalf as though they
