In effect, he "baptized" Roman military virtues for Christian purposes: risking one's life to defend the empire became courageous, just and noble for Christians. Coates bridges a gap that is seldom overcome in international relations – that between theory and practice.

Total war inevitably harms the characters of those who actively participate. Like this: Like Loading In either solution, Rodin relies upon the strictures of international law to provide a larger referee, something that Coates studiously avoids advocating throughout his work. And Sherman and Georgi Zhukov demonstrated .

British Broadcasting Corporation Home. Fundamentalist literalism insisted upon the archaic immutability of the law, with the result that new circumstances and conditions were either overlooked or addressed through circumlocutory reasoning, by which most new issues and developments had to be considered by the holy law.
