Knowledge Base. Partnering with a church in that city, a group from my own traveled there to help with the disaster relief. Whereas in the first 14 verses, the author describes over and over the hands of the woman of valor, and the products of her hands, in verse 25 and on, he focuses on her mouth. She considers the way her words taste on her tongue and how they may be digested. Sure, we may have missed the mark on some things. Eshet chayil! The poems speak of a woman of valor as one who is strong and righteous—and also allows the light of her heart to guide .
